About the Museum's Outdoor Sculpture Program

The DeLand Sculpture Walk is a collaborative effort between The City of DeLand, Florida and the Museum of Art - DeLand.

The artwork changes every two years, revealing a variety of artistic styles and materials. Since its introduction in 2010, the DeLand Sculpture Walk has enhanced the aesthetic experience, cultural image and the economic viability of historic downtown DeLand. The program has contributed not only to the enhanced quality of life, but also to educational and cultural tourism, employment of a viable workforce and the creation of higher values for property and business owners.

For details of the program, purchasing artwork or contacting the artists call the museum at 386-734-4371
